BRIGADE BUZZ

ATTAPUR

EVERY ACHIEVEMENT HAS A STORY, EVERY LEARNER HAS A VOICE.

Welcome to the September edition of Brigade Buzz! This month has been packed with creative energy, academic diligence, vibrant festive spirit, and outstanding inter-school achievements.

From the Principal's Desk

Every small step students take today builds the bright future we all want to see tomorrow, and this journey is strongest when schools, students, and parents walk together. Progress naturally takes time, so we must never be discouraged by slow movement—the only thing that truly matters is that our children never stop trying. Mistakes are not failures, but valuable learning moments where a supportive home and classroom environment helps young minds grow. Consistency ultimately wins, as great results are built on small, daily efforts. By encouraging a simple study routine, prompting children to ask questions whenever they need clarity, and continually believing in their potential, parents and teachers together pave the way for lifelong success.

Congratulations to Our Young Artists! 🏆

Brigade Public School proudly congratulates our talented students Vedika Agarwal (Class VI) and Rishik Agarwal (Class III) for their outstanding achievements in the Ganesh Drawing Competition.

Brigade Public School, Attapur Shines at MELANGE 2026–2027!

We are delighted to celebrate the enthusiastic participation of our talented Brigadeans from Pre-Primary to Grade 8 at the Meridian Inter-School Competition – MELANGE 2026–2027.

Our young talents showcased their creativity, confidence and skills across diverse domains including Dance, Art, Music, Drama, Poetry, Sustainability, Advertisement and more. Each participant deserves a huge round of applause for stepping forward, embracing the challenge and giving their very best. Their dedication, enthusiasm and spirit made their participation truly commendable.

Pre-Primary & Primary Highlights

Ganesh Chaturthi Clay Activity: Little hands crafted eco-friendly clay Ganesha models, exploring art and traditions.

Janmashtami Crown Activity: Children designed and decorated beautiful peacock-feather crowns.

English: Hands-on Rhyming Words Activity to strengthen phonics and vocabulary.

Math: Interactive learning with base-10 blocks to master number expansion (Tens & Ones) alongside number names.

Academic Guidance & Assessments

Summative Assessment-I: Successfully conducted for Grades I to VIII, showcasing strong academic focus across all subjects.

S.T.A.R Meet 2 (Grades IX and X): We successfully hosted our second S.T.A.R Meet for Grades IX & X. These interactive sessions provided a valuable platform for parents and teachers to discuss academic progress, celebrate student milestones, and collaborate on future growth strategies.

Key Events & Academic Highlights

Celebrations

Teacher's Day: A heartfelt tribute to our educators featuring student performances, cards, and gratitude presentations.

Janmashtami: A festive assembly filled with traditional attire, devotional songs, and cultural awareness.

Ganesh Chaturthi: Special presentations celebrating unity, eco-consciousness, and traditional festivities.

Monthly Competitions

Grades IX & X — Podcast Challenge: Students showcased creative thinking, public speaking, and digital broadcasting skills through engaging podcast production.

International Literacy Day : Initiative On International Literacy Day, our students took a heartwarming step toward giving back by teaching our support staff how to read and write their names and simple sentences. Seeing our staff light up with pride was deeply moving. This initiative empowered our support team with fundamental skills while instilling empathy, social responsibility, and a deeper appreciation for education in our students

Educational Field Trips & Interactive Learning Outings

Grades I & II — Eco Park: Our young learners enjoyed an exciting day outdoors exploring nature, learning about plants, and engaging in fun recreational activities.

Grade VII — State Art Gallery : Students immersed themselves in artistic expression, discovering traditional and contemporary artworks to enhance their aesthetic appreciation.

·**Grade IX — Telangana Forest Academy:** An enriching experiential trip focused on forestry science, biodiversity, and environmental conservation.

Meridian Inter-School Competition – MELANGE 2026–2027!

We are especially proud that our students brought home laurels in various categories, adding another feather to the cap of Brigade Public School, Attapur.
