BRIGADE BUZZ

VOL. 1 ISSUE 1
JUNE-JULY 2026
GURRAMGUDA

EVERY ACHIEVEMENT HAS A STORY, EVERY LEARNER HAS A VOICE.

FROM THE MANAGEMENT'S DESK

Welcome to the First Edition of BRIGADE BUZZ!

It Gives Us Immense Pleasure to Present the Inaugural Edition of Brigade Buzz, the official newsletter of Brigade Public School, capturing the memorable milestones, achievements, and vibrant learning experiences that have marked the beginning of our journey.

The Academic Session 2026–27 commenced on 18th June 2026, with a warm and inspiring Parent Induction & Orientation Programme, where parents were introduced to the school's vision, academic framework, innovative learning practices, student well-being initiatives, and holistic development programmes. The session reflected our commitment to building a strong partnership between school and home, ensuring every child receives the best learning experience.

The Month of June was equally significant for our faculty, as teachers participated in an intensive series of professional development programmes and capacity-building workshops. The training sessions focused on CBSE competency-based education, experiential and inquiry-based learning, classroom management, differentiated instruction, NEP 2020 implementation, AI integration, assessment practices, child protection, communication strategies, and technology-enabled teaching. These sessions concluded with teachers fully equipped to create engaging, inclusive, and future-ready classrooms.

As We Embark on this exciting journey, Brigade Public School remains committed to nurturing confident learners, compassionate individuals, and responsible global citizens through academic excellence, innovation, values, and meaningful experiences. This newsletter is a celebration of our collective efforts, memorable moments, and the remarkable journey that lies ahead.
