BRIGADE BUZZ

GURRAMGUDA

EVERY ACHIEVEMENT HAS A STORY, EVERY LEARNER HAS A VOICE.

Welcome to the September edition of Brigade Buzz! This month has been packed with creative energy, academic diligence, vibrant festive spirit.

From the Principal's Desk

Every child learns and grows at their own pace. With consistent effort, encouragement, and a positive learning environment, even small steps can lead to great accomplishments. Let us continue to work together as a school community to nurture confident, curious, and compassionate learners.

GOSHARPENER CERTIFICATION

Students actively participated in various awareness and learning activities conducted by GoSharpener on the occasions of International Youth Day, Akshay Urja Divas, and National Nutrition Week. Through these activities, students demonstrated creativity, awareness, teamwork, and a sense of responsibility towards society and the environment.

GRANDPARENTS' DAY

GRANDPARENTS' DAY: CELEBRATING LOVE ACROSS GENERATIONS

Our students celebrated Grandparents' Day with joy and warmth, expressing their love and gratitude through heartfelt performances and special activities. The celebration honoured the wisdom, love, and cherished bond shared between grandparents and their grandchildren.

PRE-PRIMARY & PRIMARY HIGHLIGHTS:

EXPLORING, LEARNING & GROWING A GLIMPSE INTO OUR JOYFUL CLASSROOM EXPERIENCES

Pre-Primary & Primary Highlights

CHILDREN EXPLORED MATHEMATICAL CONCEPTS THROUGH HANDS-ON CLASSROOM ACTIVITIES. UNDERSTANDS MORE AND LESS CONCEPTS STRENGTHENED CONCEPTS LIKE BIG/SMALL, MORE/LESS AND NEAR/FAR. ENHANCED LOGICAL THINKING AND PROBLEM-SOLVING ABILITIES.

LANGUAGE, PHONICS & SELF-EXPRESSION
The activity strengthened phonemic awareness, letter-sound recognition, pronunciation, vocabulary, and communication skills, while building children's confidence in expressing themselves.

COLLABORATIVE CLASSROOM ACTIVITY:
Our young learners explored the letter 'T' by creating a colourful train with paper, strengthening letter recognition, creativity, and fine-motor skills through hands-on learning.

GANESH CHATURTHI
A CELEBRATION OF JOY & CREATIVITY
Our little learners celebrated Ganesh Chaturthi with traditional attire, creative artwork, and eco-friendly activities, fostering creativity, cultural awareness, and love for nature.

➕ MORE OR LESS ACTIVITY ➖
Children explored more and less through a fun, hands-on activity, strengthening their counting, comparison, observation, and reasoning skills while enjoying learning with numbers.

TEAR & PASTE ACTIVITY
This fun activity helped our children improve their fine motor skills, finger grip, hand eye coordination, colour recognition, creativity. They also learned value of using eco - friendly and natural materials and working with patience.

LITTLE EXPLORERS: DISCOVERING COLOURS & TEXTURES
Our little learners explored pulses, colours, shapes, and textures through a fun sensory activity. The experience strengthened their observation, vocabulary, sensory awareness, and fine-motor skills while making learning joyful and hands-on.

GRADES 1–8: INSPIRING YOUNG MINDS:

A Token of Gratitude
Students participated in a "Thank You Card for School Ayaas" activity, expressing their gratitude through handmade cards and heartfelt messages. The activity encouraged kindness, appreciation, and respect for the dedicated school helpers who support our school community.

Let's Act It Out!
Grade 1 students explored action words through movement, turning grammar into a lively, hands-on learning experience. The activity strengthened their vocabulary, understanding, and confidence while making learning fun.

A Special Thank You to Our Teachers:
Students celebrated Teachers' Day by creating colourful handmade cards, expressing love, gratitude, and respect for their teachers.

ENGLISH ACTIVITIES

AROUND THE TOWN: LEARNING DIRECTIONS
Students explored directions and positional words through a creative city-model activity. The hands-on experience strengthened their vocabulary, spatial awareness, communication, and teamwork skills.

LITTLE NEST BUILDERS: EXPLORING HOW BIRDS MAKE THEIR HOMES
Our young learners explored the fascinating world of bird nests through a creative hands-on activity. Using simple materials, they learned how birds build nests for shelter, safety, and caring for their young, while developing observation, creativity, fine-motor, and environmental awareness skills.

YOUNG VOICES: BUILDING CONFIDENCE THROUGH CONVERSATION
Students participated in an engaging interview activity, developing their speaking, listening, communication, and self-expression skills. The experience encouraged them to speak confidently and express their thoughts clearly.

MATHEMATICS ACTIVITY

NETS OF SOLIDS
Grade 5 students explored "Nets of Solids," discovering how 2D shapes transform into 3D objects. The hands-on activity strengthened their spatial reasoning, creativity, and problem-solving skills.

SCIENCE ACTIVITIVITY

ACTIVITY ON BIRDS
Students explored the fascinating world of birds, learning about their beaks, habitats, food, and unique features. The activity sparked curiosity, observation, and joyful learning.

FESTIVAL CELEBRATIONS

JANMASHTAMI CELEBRATIONS:
Students celebrated Janmashtami through vibrant performances, traditional attire, and cultural presentations, fostering an appreciation for Indian traditions, values, and heritage.

GANESH CHATURTHI CELEBRATIONS: A CELEBRATION OF FAITH & CREATIVITY:
Our students celebrated Ganesh Chaturthi with enthusiasm and joy, participating in creative activities, traditional presentations, and festive celebrations. The experience helped children learn about the significance of the festival while fostering cultural awareness, creativity, and respect for Indian traditions.
